Other

28 March 2008 Office Communication in connection with counterpart Australian application.

The above-listed U.S. patent application publication was not cited in a communication from a foreign patent office in a counterpart foreign application and, to the knowledge of the undersigned after making reasonable inquiry, it was not known to any individual designated in 37 CFR 1.56(c) more than three months ago. The above-listed office communication from the Australian patent office concerns a counterpart foreign application and was received less than three months ago. It cites a US patent that was previously identified in an information disclosure statement in connection with the captioned application.

The Commissioner is hereby authorized to charge Deposit Account No. 23-0920 for any fees or any deficiency in fees in connection with prosecution of the captioned application.

It is respectfully requested that the above-listed documents be given consideration by the Examiner and made of record in the captioned patent application.

Respectfully submitted,
WELSH & KATZ, LTD.
